**PM CAPITAL GLOBAL COMPANIES FUND**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE HALF-YEAR ENDED 31 DECEMBER 2025**

**1. Summary of material accounting policies**

**(a) Basis of preparation**

These half-year financial statements are general purpose financial statements prepared in accordance with the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*.

This interim financial report does not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2025 and the Fund's Product Disclosure Statement dated 20 October 2025 and any public announcements made by the Fund during the half-year reporting period in accordance with the continuous disclosure requirements of *the Corporations Act 2001*.

**(b) Accounting policies**

The accounting policies in these interim financial statements are the same as those applied in the Fund's financial statements for the year ended 30 June 2025.

There are no new accounting standards and interpretations that have been published that are material to the financial statements.

**(c) New accounting standards and interpretations**

Certain new accounting standards and interpretations have been published that are not mandatory for the half-year reporting period ended 31 December 2025. The assessment of the directors of the Responsible Entity is that these new standards and interpretations will have no material impact on future financial reports of the Fund.

**2. Fair value measurements**

The Fund measures and recognises financial assets and liabilities held at fair value through profit or loss on a recurring basis.

The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 *Fair Value Measurement* requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices) (Level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3).

**(a) Fair value in an active market (Level 1)**

The fair value of financial assets and liabilities traded in active markets (such as publicly traded derivatives and listed equity and credit securities) is based on quoted market prices at the close of trading at the end of the reporting period without any deduction for estimated future selling costs.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

**(b) Fair value in an inactive or unquoted market (Level 2 and Level 3)**

The fair value of financial assets and liabilities that are not traded in an active market are valued with reference to external third party pricing information. These assets and liabilities include: currency forward contracts.

(d) Transfer between levels

Management's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

There were no transfers between levels in the fair value hierarchy at the end of the reporting period.

(e) Fair value of financial instruments not carried at fair value

The carrying values of collateral accounts, receivables and payables are assumed to approximate their fair values.

*Capital risk management*

The Fund manages its net assets attributable to unitholders as capital, notwithstanding that net assets attributable to unitholders are classified as a liability (2024: liability). The value of net assets attributable to unitholders can change significantly on a daily basis as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

The Fund manages its redemption requirements through maintaining either a level of cash and cash equivalents or borrowing capacity to meet daily operating requirements. The Fund's Constitution allows borrowing from its prime broker, Morgan Stanley, to meet operating requirements where needed.

**5. Events subsequent to balance date**

No matter or circumstance has arisen since the end of the half-year that has significantly affected or may significantly affect the operations of the Fund, the result of those operations or the state of affairs of the Fund in subsequent financial years.

**PM CAPITAL GLOBAL COMPANIES FUND**

**RESPONSIBLE ENTITY'S DECLARATION TO THE UNITHOLDERS  
FOR THE HALF-YEAR ENDED 31 DECEMBER 2025**

In the opinion of the directors of the Responsible Entity of the Fund:

- (a) the financial statements and notes set out on pages 3 to 9 are in accordance with the *Corporations Act 2001*, including:
  - (i) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*; and
  - (ii) giving a true and fair view of the Fund's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
- (b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors of Regal Partners (RE) Limited (ACN 083 644 731, AFSL 230222, formerly known as PM Capital Limited) as Responsible Entity for the PM Capital Global Companies Fund.

# Independent Auditor's Review Report

To the unitholders of PM Capital Global Companies Fund

## Conclusion

We have reviewed the accompanying **Half-year Financial Report** of PM Capital Global Companies Fund (the Fund).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Half-year Financial Report of PM Capital Global Companies Fund does not comply with the *Corporations Act 2001*, including:

- giving a true and fair view of the Fund's financial position as at 31 December 2025 and of its performance for the Half-year ended on that date; and
- complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

The **Half-year Financial Report** comprises:

- Statement of financial position as at 31 December 2025
- Statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the Half-year ended on that date
- Notes 1 to 5 comprising material accounting policies and other explanatory information
- The Directors' Declaration.

## Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Half-year Financial Report* section of our report.

We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* issued by the Accounting Professional & Ethical Standards Board Limited (the Code) that are relevant to audits of annual financial reports of public interest entities in Australia. We have fulfilled our other ethical responsibilities in accordance with these requirements.

## Responsibilities of the Directors of the Responsible Entity for the Half-year Financial Report

The Directors of the Responsible Entity of the Fund are responsible for:

- the preparation of the Half-year Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*
- such internal control as the Directors determine is necessary to enable the preparation of the Half-year Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibilities for the Review of the Half-year Financial Report

Our responsibility is to express a conclusion on the Half-year Financial Report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Half-year Financial Report does not comply with the *Corporations Act 2001* including giving a true and fair view of the Fund's financial position as at 31 December 2025 and its performance for the Half-Year Period ended on that date, and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a Half-year Period Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
