Fund commentary

- Positive contributors to performance for the month of September included our commodity holdings CNOOC, Arch Resources, Stanmore Resources, and Teck Resources.
- Detractors to monthly performance included Wynn Resorts, ING Groep, and Star Entertainment.
- No new positions were initiated during August, however additional purchases were made in Grupo Mexico and Charles Schwab Corp. We also took up our allocation in Star Entertainment's rights issue, increasing the position size.
- No positions were exited during the period, however we trimmed our position in JP Morgan.
- The gross invested position at month's end closed at 102%, with a net equity position of 88%

Important Notice

This Report is issued by PM Capital Limited ABN 69 083 644 731 AFSL 230222 as responsible entity for the PM Capital Global Companies Fund (ARSN 092 434 618, the 'Fund'). It contains summary information only to provide an insight into how we make our investment decisions. This information does not constitute advice or recommendations, and is subject to change without notice. It does not take into account the objectives, financial situation or needs of any investor which should be considered before investing. Investors should consider the Target Market Determinations and the current Product Disclosure Statement (which available from us), and obtain their own financial advice prior to making an investment decision. The PDS explains how the Fund's Net Asset Value is calculated. Past performance is not a reliable guide to future performance and the capital and income of any investment may go down as well as up due to various market forces. The investment objective is not a forecast, and is only an indication of what the investment strategy aims to achieve over the medium to long term. The Index is the MSCI World Net Total Return Index in Australian dollars, net dividends reinvested. See www.msci.com for further information on the Index. Address: Level 11, 68 York Street, Sydney, NSW 2000
